

Double Quilt Applique

Double Quilt Applique

JOIN ROSE HUGHES

DATE:

In this workshop you will learn two machine applique techniques that are not only easy to achieve but will open new doors to your creativity.

CLASS DESCRIPTION:

▶ The first technique enables you to create dynamic backgrounds quickly and easily.

Pick a favorite shape, sandwich two pieces of fabric together and the fun begins

▶ Secondly, you will learn how to make and use small quilt sandwiches to create foreground elements to add to your quilted backdrop.

You will leave the workshop with one small work underway and some cases completed.
