CLASS DESCRIPTION:

Want to add sparkle, light, shadow and texture to your art quilts? Have your design concepts pop? Your colors flow like rivers? Come to the Art Quilt Dimensional Stitching class and learn how to use stitching in new and exciting, non-traditional ways.

No one will ever say they've missed the point of your quilt art creation!

In this class, we will take traditional linear, fill and dimensional embroidery stitches and learn how with to use them in unique and amazing ways to express life's true textures. Go home with a working sample of each of the new art quilt dimensional stitching techniques being presented in this workshop.
